

ALL ABOUT HIGHCLERE SOCIETY

Highclere Society, which now has about 330 members, was started 23 years ago with the aim of improving and protecting the environment and enhancing the social life of the Parish of Highclere. We can only continue this work with the financial and practical support of members.

Over the years the activities and grants have included:

- Regular newsletters and alerts on local issues or events
- Monitoring all local planning applications and laws
- Over £16,700 charitable donations since 2004 from funds raised at events
- Providing leadership and members for the Neighbourhood Plan currently in production
- Maintaining our web site www.highcleresociety.org.uk
- “Pride in our Parish” initiatives including: planting daffodils, cleaning Milestones, painting railings and renovating the bus shelter
- Completion of three local walk pamphlets.
- Organising social events, e.g. winter wine tasting, summer party and two golf days a year.
- Organising one-off events such as crime prevention evening, energy saving event and footpath improvements etc.
- Creating and obtaining approval for the Highclere Village Design Statement
- Implementing the Highclere Past & Present History Project and a Tree survey of entire Parish
- Welcome packs delivered to people moving into the parish.
